

## *The Art of Marriage*

*A good marriage must be created. In the art of marriage the little things are the big things.*

*It is never being too old to hold hands.*

*It is remembering to say, "I love you," at least once each day.*

*It is never going to sleep angry. It is having a mutual sense of values and common objectives:*

*It is standing together facing the world. It is forming a circle of love that gathers in the whole family.*

*It is speaking words of appreciation and demonstrating gratitude in thoughtful ways.*

*It is having the capacity to forgive and forget.*

*It is giving each other an atmosphere in which each can grow. It is finding room for the things of the spirit.*

*It is a common search for the good and the beautiful.*

*It is not only marrying the right partner, it is being the right partner.*
